NOVATO POLICE K9 FOUNDATION

Supporting Our K9 Heroes. Protecting Our Community.

Dear Business Leader,

On behalf of the Novato Police K9 Foundation, we invite you to partner with us in supporting the dedicated K9 teams that help keep our community safe.

Police K9s are invaluable members of the Novato Police Department. These highly trained dogs assist with locating missing persons, apprehending dangerous suspects, detecting narcotics, and protecting both officers and community members. Maintaining a successful K9 program requires ongoing investment in specialized training, equipment, veterinary care, and handler support. The current cost of a police canine is \$18,500. In order to unburden the Police Department, the Foundation purchases the canines and then sells them to the Department for \$1. We also aim to serve their medical needs in retirement, a cost that was previously assumed by their handlers.

To help meet these needs, the Novato Police K9 Foundation is hosting **Paws & Protect: An Evening Gala**, a community fundraising event dedicated to honoring the important work of our K9 teams while alleviating their future medical costs.

We are seeking local businesses to join us as sponsors of this special event. Your sponsorship will directly support the acquisition of our future K9's, ensure their health care needs are met in retirement, while demonstrating your commitment to public safety and community service.

As a local business, your partnership sends a powerful message that our community stands behind the officers and K9s who serve and protect Novato. Together, we can ensure these remarkable teams have the resources they need to continue their mission.

We would be honored to discuss sponsorship opportunities with you and answer any questions you may have. Thank you for considering an investment in the safety and well-being of our community.

We hope you will join us for **Paws & Protect: An Evening Gala** and become a valued supporter of the Novato Police K9 Foundation.

With gratitude,

Novato Police K9 Foundation
